

As a Christian resident of this community I rely on K-Love on a daily basis for spiritual support, just as thousands others do. Almost everyone I know listens to K-Love. It would be devastating to thousands of K-Love listeners, if K-Love would be replaced by an LPFM station. The morality of this nation is declining to unconscionable levels, we must continue to have radio stations such as K-Love, that inspire and give us courage to continue in our Christian walks. The service provided by K-Love has a positive and encouraging impact on communities all across America, and it provides family-friendly, with wholesome values programming. Our prayers will be with you in your decision making, that you will make a Godly decision.
